Dear Howard:

I wish to express my appreciation for your work in Cyprus in connection with the establishment of the FBIS monitoring station there, which will begin full-scale operations on 15 April.

Your successful accomplishments in connection with the preliminary investigations leading up to the acquisition of the property on which the station is located, in conducting the complicated negotiations with the various owners of this property and in preparing and negotiating the various leases and pole right agreements which were necessary for the erection of the antenna system, were of invaluable assistance to the successful accomplishment of the overall mission of establishing an FBIS monitoring station in Cyprus.

The FBIS staff in Cyprus join in this expression of appreciation.

Sincerely,

L. K. White
